

REMARKS

Applicant filed an amendment on December 2, 2003 in response to the outstanding official action dated July 2, 2003. However, applicants inadvertently omitted the word "flat" from line 4 of paragraph (b) of claim 25.

Accordingly, applicants are filing this supplemental amendment by facsimile in order to completely list the geometrical orientations of the multilayer structure.

Applicants verify that no new matter is being added by this supplemental amendment.

Reconsideration and allowance of claims 25-41 is respectfully solicited.

Respectfully submitted,

Richard Klar
